4 (Amendment)

5 805 KAR 8:050. Criteria for the imposition and enforcement of sanctions against noncertified
6 personnel.

7 RELATES TO: KRS 351.1041, 351.194, 352.010-352.540 [~~352.550~~]

8 STATUTORY AUTHORITY: KRS 351.025(1)(c), 351.070(13)

9 NECESSITY, FUNCTION, AND CONFORMITY: KRS 351.070(13) authorizes the
10 Commissioner of the Department for Natural Resources [~~Department of Mines and Minerals~~] to
11 promulgate administrative regulations he deems necessary and suitable for the proper
12 administration of KRS 351.090 to 351.9901. KRS 351.025(1)(c) requires the Department for
13 Natural Resources [~~Department of Mines and Minerals~~] to promulgate administrative regulations
14 that establish comprehensive criteria for the imposition and enforcement of sanctions against
15 noncertified personnel whose intentional violation of, or order to violate, mine safety laws places
16 miners in imminent danger of serious injury or death. This administrative regulation establishes
17 the criteria for the imposition of civil monetary fines and other consequences upon an adjudication
18 by the Mine Safety Review Commission that a noncertified person has committed this type of
19 violation.

20 Section 1. (1) If a noncertified person commits a first offense, as adjudicated by the
21 Kentucky Mine Safety Review Commission, the commission may impose a civil monetary fine

1 against the noncertified person equivalent to the value of the wages received by that person for up
2 to ten (10) working days.

3 (2) If a noncertified person applies for a foreman's certificate, an inspector's certificate, or
4 any other certificate under KRS Chapter 351 and Chapter 352 [~~Kentucky's mining laws~~],
5 subsequent to a first offense adjudication by the Mine Safety Review Commission that he
6 intentionally violated, or ordered another person to violate, a mine safety law which placed a miner
7 in imminent danger of serious injury or death, the Division of Mine Safety [~~Kentucky Mining~~
8 ~~Board~~] shall consider that adverse adjudication during its consideration of the individual's
9 application. The Division of Mine Safety [~~Mining Board~~] may grant or deny the application.

10 (3) If a noncertified person applies for a foreman's certificate, an inspector's certificate, or
11 any other certificate under KRS Chapter 351 and Chapter 352 [~~Kentucky's mining laws~~],
12 subsequent to a second offense adjudication by the Mine Safety Review Commission that he
13 intentionally violated, or ordered another person to violate, a mine safety law which placed a miner
14 in imminent danger of serious injury or death, the Division of Mine Safety [~~Kentucky Mining~~
15 ~~Board~~] shall consider that adverse adjudication during its consideration of the individual's
16 application. After that second offense adjudication, there shall be a rebuttable presumption that the
17 applicant is not suitable to be certified in the Commonwealth of Kentucky, and the applicant shall
18 appear at a hearing before the Mine Safety Review Commission [~~Mining Board~~] and present
19 evidence as to his suitability. The applicant shall bear the burden of proof in the proceeding, in
20 accordance with KRS 13B.090(7). The Division of Mine Safety [~~Mining Board~~] may grant or deny
21 the application.

1 (4) Upon the adjudication by the Mine Safety Review Commission of a third offense
2 committed by a noncertified person, that person shall not be eligible to obtain or hold any mine
3 certification within the Commonwealth of Kentucky.

4 (5) A noncertified person who is also an owner or part-owner of a licensed premises shall
5 be penalized under the provisions applicable to owners and part-owners, pursuant to 805 KAR
6 8:040, rather than under the provisions applicable to noncertified personnel, pursuant to
7 subsections (1) through (4) of this section.

805 KAR 8:050 approved for filing.

(1) Provide a brief summary of:

(a) What this administrative regulation does: This administrative regulation establishes the criteria for the imposition of civil monetary fines and other consequences upon an adjudication by the Mine Safety Review Commission that a noncertified person has committed this type of violation.

(b) The necessity of this administrative regulation: This administrative regulation is necessary to establish the criteria for the imposition of civil monetary penalties and other consequences upon an adjudication by the Mine Safety Review Commission that a noncertified person has committed violations.

(c) How this administrative regulation conforms to the content of the authorizing statutes: KRS 351.025(1)(c) requires the Department for Natural Resources to promulgate administrative regulations that establish comprehensive criteria for the imposition and enforcement of sanctions against noncertified personnel whose intentional violation of, or order to violate, mine safety laws places miners in imminent danger of serious injury or death. This administrative regulation establishes the criteria for the imposition of civil monetary penalties and other consequences upon an adjudication by the Mine Safety Review Commission that a noncertified person has committed violations.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation assists in the effective administration of the statutes by establishing the criteria for the imposition of civil monetary penalties and other consequences upon an adjudication by the Mine Safety Review Commission that a noncertified person has committed violations.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: This amendment makes changes necessary to implement the requirements of SB 249 from the 2017 Legislative Session.

(b) The necessity of the amendment to this administrative regulation: KRS 351.025(1)(c) requires the Department for Natural Resources to promulgate administrative regulations that establish comprehensive criteria for the imposition and enforcement of sanctions against noncertified personnel whose intentional violation of, or order to violate, mine safety laws places miners in imminent danger of serious injury or death. This amendment is necessary to remove the Mining Board as the agency that reviews applications for certifications and considers the violations against the noncertified individuals.

(c) How the amendment conforms to the content of the authorizing statutes: This amendment conforms to the authorizing statutes by establishing the criteria for the imposition of civil monetary penalties and other consequences upon an adjudication by the Mine Safety Review Commission that a noncertified person has committed violations.

(d) How the amendment will assist in the effective administration of the statutes: KRS 351.025 requires the Department for Natural Resources to promulgate administrative regulations that establish comprehensive criteria for the imposition and enforcement of sanctions against individuals that are noncertified personnel and that the Mine Safety Review Commission may impose civil monetary fines. These amendments are necessary to implement the requirements of SB 249 from the 2017 Legislative Session.

(3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: This provision would apply to any entity that operates coal mine within Kentucky or is a certified miner or wishes to become a certified miner.

(4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: As a result of the amendments to this administrative regulations the entities listed in question (3) above will simply apply to the division rather than the Mining Board.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): There is not a cost increase associated with the proposed amendments.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): There will be no change in benefits. Noncertified personnel that applies for a foreman's certificate, an inspector's certificate, or any other certificate shall apply to the division rather than the Mining Board.

(5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There will be no costs to the department associated with implementation of this amendment.

(b) On a continuing basis: There will be no costs to the department associated with implementation of this amendment.

(6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The funding for implementation of the amendments to this administrative regulation will be a combination of general funds and restricted funds.

(7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: The amendments to this administrative regulation will not require an increase in fees or funding.

(8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish or increase any fees.

(9) TIERING: Is tiering applied? (Explain why or why not) No. All noncertified individuals seeking certification will be required to meet the same requirements.
